August 7, 2015

Dear families of Ravenwood High School students,

Student fees for certain supplies needed for instruction in our schools have been approved by the Williamson County Board of Education. This funding provides items that are necessary to make your students' learning experiences the best that they can be. You do need to know, however, that the Tennessee Law regarding school fees states the following: "School systems may request but not require payment of school fees. No fees may be required of any student ... as a condition to attending the public school, or using its equipment while receiving education training."

This year we are offering an on line service to make it easier for you to contribute, if you can and so desire. Simply go to <http://osp.osmsinc.com/WilliamsonTN>. However, if you wish to pay by check, please do so by writing individual checks for each course, made payable to Ravenwood High School. Also, we request that you write your child's name in the memo line at the bottom of the check.

We appreciate your monetary support and look forward to our partnership this school year.

Sincerely,

Pam Vaden
Principal
